On this occasion, patriotic songs were also rendered by the teacher of Directorate of Education, GNCTD.

## Sisodia requests Union Education minister to extend acontracts of SSA teachers

MM BUREAU

New Delhi/January 22  
Delhi education minister Manish Sisodia on Thursday wrote to Union education minister Ramesh Pokhriyal 'Kishan' requesting him to extend the contracts of 2,766 teachers working in the national capital under the Central's Sarva Siksha Abhiyan (SSA) till March 31, 2021.

The SSA is a flagship programme of the government

of India to support states and Union territories in developing and strengthening formal primary and upper primary education.

In his letter, Sisodia said, "I would like to draw your attention that 2,766 teachers serving as contractual teachers under Sarva Siksha Abhiyan in Delhi among them, 1,673 serve in schools run by the directorate of education, and 1,093 serve in schools run by east and south Delhi

municipal corporations. Against the annual work plan and budget for the year 2020-21, proposed

by the Delhi government in its meeting with the officials of the ministry of education, government of India, on May 27, 2020, the salary of contract teachers was approved only for six months and was deferred to an August 20, 2020, by the ministry.<sup>1</sup>

"All of those contracted teachers are central teachers' eligibility test (CTET) qualified and till now, they are actively engaged in supporting the semi-online/online learning of students in their respective schools. Their six-month service period was completed on

January 19, 2021," he said.

Sisodia, who is also the deputy chief minister of Delhi and a frontline worker, played a major role in the past year amid the Covid-19 pandemic. He said it will be unfair if any of them would be asked to leave their services at this point in time. "I urge you kindly to extend the financial support to these teachers till at least March 31, 2021, on the existing cost-sharing basis," he said.

## AAP, BJP spar over allegations of financial irregularities

MM BUREAU

New Delhi/January 22  
A war of words broke out between the Bharatiya Janata Party (BJP) and the Aam Aadmi Party (AAP) on Thursday after the former alleged financial irregularities in the Delhi Jal Board (DJB).

The Delhi BJP chief Atishi Gupta claimed unaccounted funds of ₹23.69 crore in the water utility, the AAP, in fact, saying the allegation was completely "bogus and frivolous".

The BJP demanded two-day-long special session of the Delhi assembly to discuss the issue.

Addressing a press conference on Thursday, Gupta said, "₹23.69 crore was transferred from Delhi government's account to DJB's account in the last five years, but the government is not ready to give any account for this amount."

In a statement, the AAP said, "It is not even clear what

scam are they referring to? The truth is that BJP is completely baffled by the AAP's in the MCD, and indulging in trash talk to entrap the public's attention from the issue." While Delhi BJP spokesperson Harish Kharana said that the party will start a door-to-door campaign to tell people in this regard, leader of the opposition in DJB assembly Ranveer Singh Rishabh said the allegations are "very serious". The AAP said in the statement.

## South corp to cap food carts at 5 per ward, issue licences

MM BUREAU

New Delhi/January 22  
The BJP-led South Delhi Municipal Corporation (SDMC) on Thursday planned to provide permanent licences to five smart food eateries, including food trucks, vans, e-carts in each municipal ward in its jurisdiction, officials said.

The opposition AAP criticised the move, saying the scheme will lead to chaos on roads.

The SDMC Home named the proposal on Thursday, with the officials saying that a policy will be drafted to fix license fee and lay down other modalities.

"Keeping in view the revenue of the corporation as well as employment avenues in 100 wards in the jurisdiction of SDMC, we have decided that licence process for selling and serving food items through e-food cart, food truck and bus as well as having new restaurants ideas of these types (such as aeroplane, train, double-decker bus) be issued... based on permissions and other institutions lying across, which can be put to good use," the proposal, presented by SDMC nodal officer was approved by BJP councillor from Malviya Nagar, Neelam Sharma.

Sharma said the scheme is at a "nascent stage" and its modalities are yet to be worked out. "It will be a good source of income to the corporation," she said. Speaking on the condition of

silence, in answer SDMC official said, apart from the food carts, the corporation will have to produce a no-operation-certificate (NOC) from the traffic department at the time of application to ensure that the cart or food truck will not hinder traffic movement in the area.

"We will take all

necessary steps to keep the application process hassle-free," he said. "For licences we will also make sure that such entities do not become a traffic nuisance. The civic body's licensing department will be the only authority to

issue the permit," the official said.

Narendra Chawla, head of the House in SDMC, said the corporation is promoting self-employment among people and that the corporation will "organise" such eaters that are running illegally. "Such food vans or e-food carts are already operating illegally in many areas of the city. They do not have any kind of permit and hence create chaos on roads. Under this scheme, we are trying to resolve this problem and legalise and organise such food joints."
